

YGRC Shot Flier Day 2024

Who: YGRC Members and YGRC Field Class Participants. Please note space may be limited and preference will be given to YGRC members.

What: Shot fliers (**Ducks**) - Maximum of 2 fliers per dog and 2 dogs per participant.

Where: West Thompson Dam Site, West Thompson, CT

When: Saturday, 11 May 2024 **Starting:** 8:30 am - running till mid-late afternoon.

Cost: **\$35 per bird** plus an event fee of **\$10 per handler**. Prepayment and entry form are due by **midnight 4 May 2024**. Entries received after the 4 May deadline will not be accepted. **No exceptions. No refunds after the closing date. Online Entry and printable entry forms are available through the YGRC online portal at: <https://yankeegoldenretrieverclub.wildapricot.org/>**

Other Information:

- **Bitches in heat will be allowed to run. If you bring a bitch in heat to SFD, please notify the Marshal and the running order will be adjusted to allow you to run last.**
- **There will be the opportunity to run your dog(s) in blind retrieves. Your dog should be able to complete a simple blind retrieve.**
- **Regarding Covid, Shot Flier Day will follow AKC Best Practices, state of Connecticut Guidelines and USACE requirements.** Masks must be worn if required. This information will be provided with the Premium participants in SFD receive.
- Please provide your own lunch, drinks, chairs, shade, sun block, water for dogs, and especially **mask, hand sanitizer, hand held radio, whistle, hearing protection & duck call**. Due to Covid there will be no sharing personal equipment.
- **YGRC** will provide all that is needed for a test setup: Thunderguns, popper guns, handler gun, blinds, live ducks, decoys, live gunners, wingers etc.
- **We do need your help! Please plan to stay for the full day so we can rotate workers.** Land and water series will be run simultaneously with a predetermined running order and working order for each. Abilities of dogs/handlers will be mixed in each group.
